

SACRAMENTO INDIAN AGENCY
Sacramento, Calif.
June 6, 1935.

Postmaster,
Sheep Ranch,
Calaveras Co.,
California.

Dear Sir:

This has reference to the referendum authorized for the Sheep Ranch Indian Rancheria on June 12, 1935.

However, as apparently, the only eligible voter is one Jeff Davis, we are taking the liberty to request that you please give Mr. Davis an opportunity to vote, using the enclosed ballot, and if he does so, return the marked ballot to this office on June 12. We are mailing one of the enclosed Voters' list to Mr. Davis, and would ask that you post one and return the other with the marked ballot, indicating over your signature that you have received the ballot from Mr. Davis.

For your further information in this connection, there is enclosed copy of our Circular letter to members of special election boards on the other rancherias holding similar elections.

Respectfully,

O. E. Lipps,
Superintendent.
