Sir:

Pursuant to authorization given in the Associate Commissioner's October 12, 1966, teletype, a referendum was scheduled for October 14, 1966, at which the distributee would vote whether to accept or reject the plan for the distribution of the assets of the Sheep Ranch Rancheria.

Mrs. Mabel Hodge Dixie, the only distributee, voted to accept the plan. Therefore, the plan becomes effective as of October 14, 1966, and there are enclosed copies of the plan as accepted by the distributee.

Sincerely yours,
