RE: California Valley Miwok Tribe – Request for Information and FOIA Request

Dear Ms. Rogers-Davis:

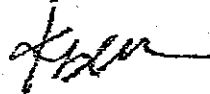

Thank you for your voicemail message on March 10, 2005 in response to my letter dated February 24, 2005 requesting relevant information to proceed with processing enrollment applications and/or inquires for membership to the California Valley Miwok Tribe (the "Tribe"). Your voicemail indicated that in order to accommodate my request as outlined in my letter of February 24th, your office requires the following information: (i) an authorization from the Tribe allowing information to be released; and (ii) a release from each individual for which information has been requested.

In response to the information provided in your voicemail message, the Tribe has provided your office with the authorization as requested. With respect to obtaining a release from each individual seeking and/or inquiring about enrollment to the Tribe, we will begin notifying each individual that your office requires a release in order for the Tribe to obtain the necessary information to proceed with the processing their application and/or inquiry. However, prior to the Tribe obtaining releases from each individual, the Tribe requests that your office indicates in writing that such releases are required so that we can provide this information to each individual.

Thank you for your office's prompt response to my letter and request. We look forward to receiving in writing the information your office deems necessary regarding the release of the information requested in my letter dated February 24, 2005.

Should you require any additional information, or if you have any questions regarding the foregoing, please feel free to contact me. Your assistance regarding this matter is greatly appreciated.

Respectfully Submitted,

Karla D. Bell
