RE: California Valley Miwok Tribe

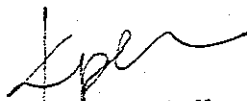

Dear Mr. Fry:

Thank you for meeting with me on Friday, June 17th. I am looking forward to our continued communication regarding the California Valley Miwok Tribe's (the "Tribe") efforts regarding enrollment and membership matters.

As it currently stands, we are awaiting receipt of your office's records regarding a family tree. Additionally with respect to the potential members identified in my letter dated February 24, 2005, we understand that your office will not release the requested information until each potential member provides a release of information to your office. Nevertheless, the Tribe will continue to seek these releases from the identified individuals in order to move forward with the application and inquiry process.

The Tribe looks forward to any information that your office can provide regarding any potential members. If you have any questions regarding enrollment or membership matters, please feel free to contact me. And, in closing, we look forward to obtaining the family tree that you mentioned your office has on record. Thank you in advance for your assistance.

Sincerely,

Karla D. Bell
